PETITION TO INTERVENE
AND PROTEST

_____)
The Petitioner, Corley Construction Company, LLC d/b/a Broad River Laundromat and
Broad River Car Wash, by and through its undersigned counsel, would show this Commission the
following:

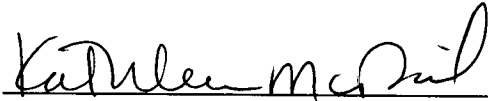

1. This is a Petition to Intervene submitted pursuant to S.C. Code Regs. 103-825 (3) and a Protest submitted pursuant to S.C. Code Regs. 103-827.
2. The Petitioner, Corley Construction Company, LLC d/b/a Broad River Laundromat and Broad River Car Wash, is a corporation organized and existing under the laws of the State of South Carolina and doing business in Richland County.
3. The Petitioner is a customer of the Applicant, Palmetto Wastewater Reclamation, LLC d/b/a Alpine Utilities, and owns commercial property served by the Applicant.
4. The Petitioner is directly affected by this proposed rate increase in that the Petitioner is a significant user of the Applicant's services and should, therefore, be permitted to intervene.
5. The Petitioner protests the proposed rate increase because it appears to be arbitrary and capricious and will likely result in an exorbitant rate increase as applied

to the Petitioner.

6. The Petitioner further requests that this Commission grant it leave to intervene and participate in all proceedings on this docket, including notice of all further matters involving this proceeding. The Petitioner expects its presentation to require approximately one hour.

Wherefore, the Petitioner respectfully requests the above-mentioned relief and any other and further relief that this Commission may deem just and proper.
